INFORMATION REGARDING THE TARANGAN SCHOLARSHIP BEING AWARDED FOR M.Sc. NURSING STUDENTS

“Tarangan”, the Alumni Association of the Leelabai Thackersey College of Nursing, S.N.D.T Women’s University, Mumbai, was established in the year 2002. The main aim of the Association is to provide a common platform, where its alumni can network on professional and personal grounds. The educational activities include the conduction of workshops, seminars, educational sessions, while the administrative activities include the conduction of executive and general body meetings, account audits, fund raising and publication of the newsletter. The Association has an ever-increasing membership of both graduate and post-graduate members.

It has been decided to award scholarships to Tarangan life members desirous of pursuing their Masters of Science (Nursing) course, on a need-cum-merit basis. This scholarship has been made possible by a fund-raising campaign organized by the parent institute, with valuable assistance from several of its members, both in college and in other institutes in Mumbai and outside Mumbai. It is being instituted in order to assist its members, who find it difficult to pursue higher education. This scholarship is open to all graduates of this college. Those students pursuing their M.Sc. Nursing in College/Universities (in India only), other than the parent institute, are also eligible to apply. The current value of each scholarship will be Rs. 10,000 (Rupees Ten Thousand only) and three such scholarships will be awarded to three deserving candidates per year. There will be no binding terms and conditions on the candidates who are awarded the scholarship.

If this scholarship should assist you to complete your higher studies, we hope that you will also contribute, in order to help other needy members, so that this scholarship may continue for many years to come. In this way, we can say that our alumni members truly “Serve with Excellence”, while also helping to strengthen the educational foundation of its members, so that they may shine globally.
